

“And Yahuwah said to me, “There is a conspiracy among the men of Yehudah and among the inhabitants of Yerushalayim.”- Yirmeyahu/Jeremiah 11:9

Have you ever been called a conspiracy nut? Or maybe you met a few in your day? Regardless, I'm sure you know the type. Many of them secretly spend hours upon hours digging through the pages of history. They read endless reports to find some plausible reasoning to some of the outrageous world events. These major events to the conspirator theorist could have only been orchestrated by some secret elite in high positions. Upon solving the case, the word lunatic then echoes throughout the streets as most of society along with their fellow comrades consider the conspiracy theorist to not only be paranoid, irrational but totally misinformed. Sure every now and then one will come forward with some new evidence to prove their theory.

You might have heard of a few of these conspiracies: The assassination of US President John F. Kennedy. Can we forget Area 51? They say 911 was an inside job and these secret clubs such as 'Skull in Bones, The Illuminati, The Jesuits, Freemasons and the New World Order.

Many of you might be sitting on the edge of the chair, biting your fingernails in hopes, “Say it isn't so!” Well hold onto your socks because there is one conspiracy that is so old and secret that literally we must go w-a-y back to the ancient of days .You see, conspiracies are nothing new. The Scriptures contain twenty one verses dealing with conspiring, while fourteen verses deal with plotting.

What makes this conspiracy so very different from all of the others is that this one event has been ongoing for myriads of years; being passed down literally from generation to generation. Innumerable amounts of people have died speaking out about this travesty. Sadly, many more will also experience the same outcome.

So what could this conspiracy possibly be, having caused so many deaths spanning over thousands of years and will cause even more such deaths in the near future? “Who has gone up to the heavens and come down? Who has gathered the wind in His fists? Who has bound the waters in a garment? Who established all the ends of the earth? What is His Name, And what is His Son's Name, If you know it?” -Proverbs 30:4.

The ancient **conspirators** have tried to replace, erase and cover-up the name of the Creator and His Son, along with threatening and murdering anyone who would speak these two names. Yahuwah spoke through His servant the prophet Yehezqel warning the people that there was a conspiracy among the prophets who took away precious matters (Ezk. 22:25).

The sacred name, Yahuwah started being suppressed during the time of Amos (6:10) and during the time of the great prophet Elijah (EliYahu).

Have you ever been to Madison Square Gardens to see a boxing match? I have not, however the momentum of cheering for the player of your choice must be very exciting. Let us ponder for a moment how the prophet Eliyahu must have felt coming against 450 prophets of Baal plus 400 prophets of Asherah (1 Kings 18:19). One prophet of Yahuwah was standing up against many. Truly, if Yahuwah be for us who can be against us? This was not some small gathering but a huge spectacle as all of Yisra'el was gathered to Mount Carmel. **“And shall call on the name of your mighty one, and I, I call on the name of Yahuwah. And the Elohim who answers by fire, He is Elohim.” –1Kings 18:24.**

The event would last far more than a few hours. If such an event was to be held today, it is very possible TBN or some other pagan wishy-washy, lukewarm universal religion would be the host. Millions could be praying at home while kneeling

on the floor. People by the thousands might fast. All eyes would be fixed and set on the computer screen or their new digitally HD mastered television set. The event would be on all air-waves echoing through speakers. Streets instantly turned into ghost towns, as people filled community buildings nation-wide. Mega-churches all over the world would participate in the event. The little differences, set aside as the world prayed for ha Baal-gad (the Lord-god), Joshua 11:17), to rain fire down from the heaven. I don't think David Copperfield could pull it off. However, the great counterfeiter, with the help from the modern day hologram along with the huge laser could possibly deceive the people. Millions could very well be duped into seeing signs and wonders of fire coming down out of the sky (Revelation 13:13).

Back then there was just the prophet of Yahuwah, Eliyah verses the pagan ha Baal-gad [the Lord-god]'s prophets with no modern technology. Scriptures reveal that the prophets of ha Baal [the Lord] began calling on the name of ha Baal [the Lord] early in the morning. Their voices got louder as they cried out, “O' Baal, [Lord] answer us!” This then intensified, leading them to cutting themselves as they cried out louder to Baal [Lord] while dancing in a frenzied blood bath. Looking, watching and waiting...yet by evening still no answer from ha Baal [the Lord]. What a huge disappointment from all the hype. After a fun filled day with much entertainment, the humble prophet of Yahuwah began to pray. Then suddenly and immediately, the Mighty One of Yisra'el heard His servant's prayer. This prophet did not need to self inflict bodily harm or even dance, He simply prayed! The fire of Yahuwah fell and consumed the burnt offering! Wow... if our eyes could have seen their faces. What an awe inspiring sight that must have been. This event ended with the children of Yisra'el seeing first hand that the Mighty One of Yisra'el's name is not ha Baal [the Lord] but Yahuwah.(1Kings.18:26-39)

Contrary to the written word, of being a peculiar and set apart people, the children of Yisra'el wanted to fit in with the gentile nations existing

around them. Therefore, they adopted the pagan Baal/Lord (Hosea 2:16 K.J.V.) See picture. This caused the Shem (name) of Yahuwah to be blotted out breaking the third commandment (Shemoth/Exodus 20:7). His precious name was eventually replaced with Baal/Lord just as it had been foretold: **“Who try to make My people forget My Name by their dreams which everyone relates to his neighbour, as their fathers forgot My Name for Ba'al [Lord].” -Yirmeyahu/Jeremiah 23:27.** The decision was made and had gone forth; anyone who spoke the Shem other than a Priest would be guilty of blasphemy. According to the tradition, 'Ha Shem' (the name) could only be uttered by the High Priest once a year on the feast of Yom Kippur (Day of Atonement). The penalty to anyone who broke this man-made law was death! The hierarchy of the Jewish Tribune (a tribune of religious and state power) used fear mongering. For generations the tribune managed to put fear into the people's heart of not speaking the Shem.

The day was coming though, when one man would shatter the tradition of the elders by speaking ha Shem. He would proclaim the name of Yahuwah to the people! At the very start of His ministry, He overthrew the religious establishment of His day. He bravely announced the Qodesh Name: **“The Spirit of Yahuwah is upon Me, because He has anointed Me to bring Good News (Besorah) to the meek. He has**

sent Me to heal the broken-hearted, to proclaim release to the captives, and recovering of sight to the blind, to send away crushed ones with a release, to proclaim the acceptable year of Yahuwah.”(Luke 4:18-19). As this young Hebrew man read from Yashayahu, many were stunned because He spoke ha Shem of Yahuwah going against the tradition of the elders. All eyes of the congregation that day were fixed upon Him (Luke 4:21). They were filled with wrath. Just who did this man, named Yahushua, think He was, how dare He go against the establishment? They were so angry, they sought to kill Him that very day (Luke 4:28-29).

The main reason Yahushua was brought forth from the Father was to redeem humanity and make atonement for the sins of the world; thus becoming our Passover Lamb, High Priest and Sovereign. He now sits at the right hand of Yahuwah. During His ministry, He was on a mission to bring esteem to Yahuwah and not to ha Baal (the Lord). At times, He suffered much and met heavy resistance from all sides. Despite this, He continued to travel to many towns and villages. He even went to the big city (Jerusalem) to bring restoration to Yahuwah’s Name and make ha Shem known: **“I have revealed Your Name to the men whom You gave Me out of the world. They were Yours, and You gave them to Me, and they have guarded Your Word.”** (John 17:6)

The religious tribune of His time gave Him strong warning, not to let His taught ones utter the name of Yahuwah. They told Him, **“Teacher rebuke your taught ones!”**-Luke 19:39. Yahushua responded, **“I say to you that if these shall be silent, the stones would cry out.”**-Luke 19:40. This infuriated the Jewish Tribune. **Clearly, Yahushua esteemed His Father’s Name and so did His taught ones.**

As Yahushua stood before the religious establishment while being on trial, the High Priest asked Him, **“Are you the Son of the Blessed?”**(Mark 14:61) The High Priest was avoiding the name. Yahushua responded with: **“I am, and you shall see the Son of Adam sitting at the right hand of the Power [Yahuwah], and coming with the clouds of heaven.”** (Mark 14:62). Since He was quoting Psalm 110 it is very likely He again esteemed the Father’s name by

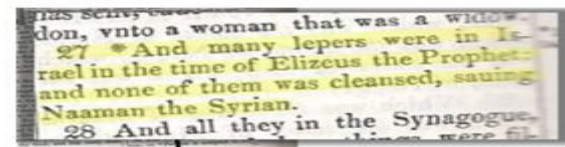

making it known. The High Priest then tore his clothing announcing that Yahushua had indeed blasphemed and was now guilty, and therefore condemned to be sentenced to death (Mark 14:63-64.). After Yahushua was impaled, the establishment had a bigger problem: His taught ones were openly speaking the name of Yahuwah. Steven picked up his staff and followed after His Sovereign, by proclaiming ha Shem, of Yahuwah. The result, being he was found guilty of blasphemy. He was then stoned as explained in Acts 6 and 7. **“Woe unto you, lawyers! For you have taken away the key of knowledge: you entered not in yourselves, and them that were entering in you hindered.”**—Luke 11:52.

What did they take away? The Name! Three times in Scriptures the Messiah tells us, **“I have come in My Father’s Name and you do not receive Me, if another comes in his own name, him you would receive.”**-John 5:43. The other two times are found in Yohanen/John 17:11, 12.

Now that we know the Messiah carries the Father’s name, is it any wonder that the precious name of our Saviour, Yahushua’s qodesh name would be blotted out also? Of course, that is exactly what has transpired. Another has come in his own name causing much confusion. Satan hates the name of the Father and the Son. That spirit is the great counterfeit wanting all esteem be given to it. It has tried everything possible to keep these names hidden out of sight and away from the people. Since we are told, **“...My name is in Him.”** (Ex. 23:21) the Son carries the Father’s name. Obviously from the above Yahushua does indeed have the Father’s name in His Name. It is quite evident that there is no resemblance in Yahuwah and Jesus. Many claim God is the father and Jesus is the Son. Taking all this into consideration, God and Jesus do not even resemble each other or does Lord and Jesus.

The controversy is not merely over whether the Messianic Scriptures were written in Hebrew, Greek or even Aramaic because one verse in the Book of Acts clearly tells us the language that the Messiah’s Name was spoken in. **“And when we had all fallen to the ground, I heard a voice speaking to me, and saying, in the Hebrew**

language, **“Shaul, Shaul, why do you persecute Me? It is hard for you to kick against the prods.”** And I said, **“Who are you, Master?”** And He said, **“I am Yahushua, whom you persecute.”** (Acts 26:14-15) Notice the language the Messiah spoke, and Shaul heard, was in the Hebrew tongue? The **conspirators** have desperately tried to cover up the Messiah’s name by giving the Hebrew Saviour the Greek name Jesus, in honour of the pagan deity of **Zeus**. Yes, it is true to the ancient Greeks, **Zeus** was the supreme deity. Zeus was considered to be the unconquered sun, the sky deity and the sun deity. Zeus means ‘to shine’. According to Alexander Hislop’s book, “The Two Babylons (page 72) *“It has been all along well enough known that the Greeks occasionally worshipped the supreme god under the title of “Zeus the Saviour.”*

In the 1611 version of the K.J.V. the prophet Elisha's name was translated to Elizeus (meaning mighty one is Zeus). I know it is outrageous but please remember I told you this great conspiracy has been ongoing down through many generations. Most modern K.J.V. now use Elise’us which still means the same as Eli-Zeus. And the name Jesus is pronounced in Spanish as Hey-sous. Taking all this into consideration the druids called on Hesus. The conspiracy continues to this day. Just as I reported back in the Feb./March newsletter regarding the inauguration of Barak Obama, Mr. Rick Warren (CFR member) prayed in front of the whole world. In concluding his prayer he mentioned the following names: Yeshua, Isa (Essa), Hey-Zeus and Jesus. To help prove this great conspiracy check out what the following website published: (emphasis added)

“When Rick Warren was praying, he said in conclusion, “I humbly ask this in the name of the one who changed my life, Yeshua, Isa, **Jesus (Spanish pronunciation)** , Jesus”  
[lastrumpetnewsletter.org/2009/03\\_09.](http://lastrumpetnewsletter.org/2009/03_09.)

Notice when he came to the Spanish name of **Jesus** he simply states: **“Jesus (Spanish translation)”** instead of *actually* writing what Rick Warren said **Hey-**

zeus! The name game is **OVER!** If Mr. Meyer would of wrote it like it was spoken then many more people would start to ask questions, which would lead to search and study as we are told to do (1 Timothy 2:15). That is what my desire is to do, expose the darkness for what it is. In this process my hope is to spark the thought process of your mind. I beseech you to know that half truths are lies. Ponder, many are told to call on the name of Jesus (Hey-Zeus). Upon doing so they have invited this spirit into their temple (body). Thus defiling the temple. Remember, when the Messiah, Yahushua told Judas to do what he needed to do at that very moment Judas was possessed by satan. All who call on the name or to Jesus (Hey-Zeus), the Lord God (the Baal-gad) need to repent and renounce this in the name of Yahushua. The conspiracy of covering up the NAME of the Creator, **Yahuwah** and His Son, **Yahushua** is **OVER!** The stones are crying out in these dark hours. The question is, “Do you hear?”

Beloved ones clearly, there is an ongoing conspiracy of not saying the name Yahuwah and His Son’s name, Yahushua! The same anti-messiah spirit that is working today was already working through the religious and state establishment years ago. Just as they worked through the gentiles to impale the Messiah, they also tried to stop the taught ones from speaking in the name of Yahushua. The rulers, elders, High Priest, priests and Sadduccess were all greatly annoyed because the early taught ones were teaching the people in the name of Yahushua. The taught ones were arrested (Acts 4:3) and even threatened (Acts 4:17-18) not to speak at all in the name of Yahushua. When Shaul was called up, accused of being the ring leader of the group the whole uproar was over the law of the Jews on **words** and **names** (Acts 18:14-15). Just as the Name of Yahuwah was replaced with the name of Baal (Lord) clearly, the Son’s name has also been replaced. Since we are told in Scriptures there is no new matter under the sun (Ecclesiastes 1:9) just as it was back then so it is today. Quite a few children of Yisra’el want to be acceptable to many, thus the continuation of the pagan Baal/Lord is still in use as the conspiracy continues. Once more will the conspirators try to silence these two names through the **Noahide Laws**.

Oh Yisra’el **“How long will you keep hopping between two opinions? If Yahuwah be your Mighty One then follow Him: and if Baal [Lord], follow Him.”**(1 Kings 18:21).

**YOD- HAY- WAW- HAY YAHUWAH**  
**YOD-HAY-WAW-SHIN-AYIN YAHUWASHUA**  
**“My name is in Him” (EX. 23:21)**
